LDPi INDUSTRIAL LIGHTING

Food & Beverage Processing ● Industrial ● Pulp & Paper ● Shipyards / Marine ● Water Treatment
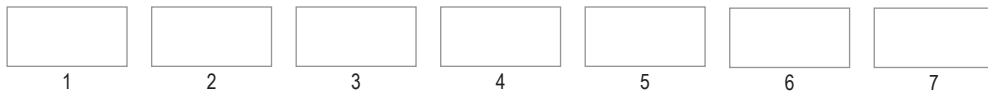

The 379i Series is a perfect fixture for industrial applications desiring a wet/damp fixture or an enclosed high bay fixture. The 379i is a glass fiber reinforced product with injection molded lens options for precise detail and strength. The lenses also have frosted ends, lineal prism sides with frosted or optically clear face. All hardware is stainless steel with tamper resistant latches. The gear tray hinges at both sides with tool-less latches for ease of accessibility and maintenance. The 379i series comes standard with the V-hook Mounting system with zinc plated Mounting straps. Ask us about our customized performance reflector option. Lamps not included.

Additional Applications:
Machining Areas ● Prep Areas ● Tunnels ● Wash Down Areas

Notes:
* Standard fixture configurations
Additional mounting configurations available consult factory.
For chemical resistance information please see website.

LISTINGS
UL 1598 Wet / Damp
CSA 22.2 No. 250.0
NSF: Splash zone non-food prep
NEMA 4X
IP67 (enclosure only)
High pressure tested 1500psi
40°C ambient rating

FEATURES
5VA flammability rating
Suitable for outdoor and Indoor use
Closed cell polyurethane gasket with no seams
Standard plastic (acetal copolymer) latches

CONSTRUCTION
Fiberglass White Housing
Acrylic or Polycarbonate Lens

LENS
Impact resistant acrylic (91.5% transmission)
Optional UV stabilized polycarbonate (87% transmission)
Optically clear or frosted lens

ELECTRICAL
Available in 28, 32, 44, and 54 watts in T5, T8, T8HO, T5HO lamps.
Voltages of 120, 277, 347 and 480.

OPTIONS
Enhanced aluminum reflector
Emergency backup ballast
Flexible ceiling mount kit
Tamper resistant latches
Custom performance reflector (special request)
Stainless steel Mounting straps (same as standard except stainless steel)
Rigid ceiling mount for surface Mounting or dual pendant (supplied by others)
Stainless steel latches

MOUNTING

Standard V-hook mounting with zinc plated mounting straps

316 Stainless Steel V-hook.
UL rated for 4X fixture weight.
Maximum fixture weight of 23lbs.

Rigid Ceiling Mount
RZ: Zinc plated
RS: Stainless steel

Flexible stainless steel ceiling mount system

1 1/4" between ceiling and housing for heat dissipation Attaches directly to the ceiling! Mounting holes on the 6986 ceiling mount kit are 1/4" X 1/2" oval with a measurement of 4" on center. Ceiling mount kit: 6986. Kit consists of (2) 6985 brackets.

RZ or RS also used for:
Dual Pendant Mounting
(Pendants supplied by others)
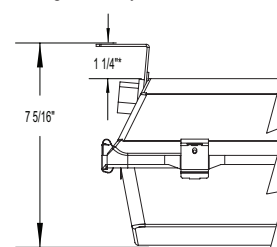

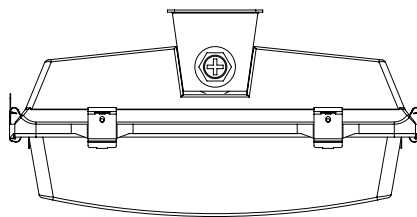

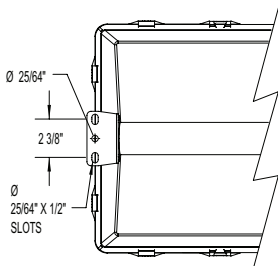

ADDITIONAL CEILING MOUNTS

Ceiling mount system kit: 8366:
Stainless steel ceiling Mounting brackets, sealing washer, 1/2" conduit hub, 1/2" conduit hub plug and stainless steel support plate. (Assembly required)
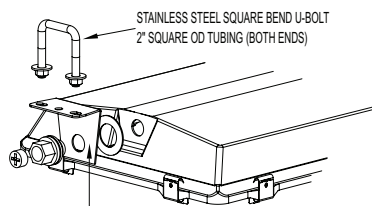

Ceiling mount system kit 8367 - Square bend U bolt
